Coffeyville Fire Department Responds to Two Fires

The Coffeyville Fire Department responded to a structure fire at 1720 Elmwood shortly after midnight Monday, December 22. Upon arrival, the rear of the structure was fully involved with flames visible from the west, north and south windows and from the roof.

Off duty firefighters as well as the South Coffeyville Fire Department were called to assist, and the main fire was brought under control. Fire personnel were on the scene for approximately three hours extinguishing the rest of the fire. No one was home at the time of the fire, and there were no injuries reported. The structure, owned by Terry Blankenship, was a total loss with damages estimated to be \$50,000. The cause of the fire remains undetermined and is under investigation by the Coffeyville Fire and Police Departments.

On Sunday afternoon, the Coffeyville Fire Department assisted the South Coffeyville Fire Department with a structure fire at 708 Etchen. The fire was contained to one room. No injuries were reported, and there was no one at home at the time of the fire.
