5. Ordinance No. G-15-03 – First Reading of an Ordinance to amend Chapter 27 related to high grass.
- City Attorney Paul Kritz stated the City has two ordinances relating to the maximum height for grass. In the nuisance code, grass 12 inches in height or greater is considered to be a nuisance. In the vegetation code, grass 8 inches in height or greater is considered a violation. This has led to confusion and the proposed ordinance will provide consistency in the codes. Commissioner Martin was concerned about the definitions used in ordinance related to obnoxious vegetation. City Manager Francis stated this is just the beginning of addressing the nuisance ordinances making them uniform and easy to enforce.
 - Jim C. Taylor, Sr., stated as a result of a recent hearing he had with the city manager, he is subject to \$20,000 to \$30,000 fines in nine days as city crews will be on his property to clean it up. After considerable discussion, Francis assured Taylor staff would not enter his property until the ordinances have been addressed.
