Friday Fire at 507 W. 5th -

An early morning fire resulted in an estimated \$6,000 damages to a house at 507 W. 5th Street on Friday. The fire was reported at 7:46 a.m. by the owners, Norma and Jose Villa, who were home at the time. They safely evacuated, and there were no injuries reported.

Upon arrival, the Coffeyville Fire Department found light smoke coming from the eaves of the building. Using the thermal imaging camera, fire was found in the attic area and had spread through the insulation. The cause of the fire was ruled as electrical with damage estimated to be \$5,000 to the structure and \$1,000 to contents. Off duty fire personnel as well as the South Coffeyville Fire Department assisted with the fire.
