Structure Fire at 501 E. 8th Street

The Coffeyville Fire Department was called to a structure fire at this morning at 501 East Eighth Street 10:15 a.m. The home was occupied at the time of the fire, however, all occupants were out except for a puppy. Moderate smoke was visible upon arrival, and an aggressive interior attack was made through the front door to locate the fire and the puppy.

Off duty fire personnel and the South Coffeyville Fire Department were called for assistance, and the fire was quickly extinguished. Firemen located the puppy who was revived at the scene with a pet oxygen mask. Unfortunately the puppy died this afternoon from smoke inhalation. There were no injuries reported to the occupants or firefighters.

Damage to the structure owned by Theresa Hunt is estimated at \$5,000 and \$3,000 to the contents. The fire is under investigation by the Coffeyville Fire and Police Departments.
