#### Structure Fire on Saturday

The Coffeyville Fire Department responded to 822 W. Second Street Saturday afternoon. Upon arrival, smoke was visible from the attic area of the unoccupied house. Off-duty fire personnel along with the South Coffeyville Fire Department were called for assistance.

CFD had the fire under control in 15 minutes and extinguished in 30 minutes. A Coffeyville firefighter was taken to CRMC for heat exhaustion where he was treated and released.

The fire, which appears to have started between the first and second floors, is under investigation by the Coffeyville Fire Department. There were no utilities at the house owned by Vickie Howell. Damage is estimated to be \$20,000.
