Second Fatality from Saturday Structure Fire

A second person has died as a result of the structure fire early Saturday morning at 1508 S. Willow. Terry Park, 44, died Saturday at Coffeyville Regional Medical Center. Delyn Hoffman was transported to Hillcrest Hospital in Tulsa where she died on Tuesday. Terri Park, 49, was injured in the fire and was also transported to Hillcrest.

The Coffeyville Fire Department responded to the fire early Saturday morning with individuals trapped inside. When firefighters arrived, heavy flames were coming from the second floor northwest corner of the structure, and firefighters used a ladder to rescue the three occupants from a second-story window. All three were unconscious and were transported by EMS to CRMC.

The Kansas State Fire Marshall's Office and Coffeyville Fire Department have completed their investigation. The cause of the fire is listed as undetermined, however, it is not considered to be suspicious.
