Structure Fire at 101 ½ E. 1st Street Injures One

The Coffeyville Fire Department responded to a structure fire at 101 ½ E. First Street at 5 p.m. on Friday. When firefighters arrived, smoke and flames were visible from two sides of the house. Despite the weather conditions, they had the fire under control in less than ten minutes.

A female occupant of the house received burns and was transported by EMS to CRMC. Her condition is unknown. Damage to the structure was estimated at \$20,000 and \$10,000 damage to contents. The cause of the fire is undetermined, however, it appears to be accidental.

Off duty fire personnel along with the Coffeyville Police and Electric Departments, CRMC and Atmos Gas assisted at the scene.
