Structure Fire at 3808 W. 6th Street

The Coffeyville Fire Department responded to a structure fire at 3808 W. Sixth Street at 9 a.m. this morning. When firefighters arrived, heavy smoke was visible. The structure, owned by Juan Fransisco, was occupied at the time of the fire; however, everyone safely evacuated. The South Coffeyville Fire Department and off-duty fire personnel were called for assistance.

The fire was contained to a back bedroom and was under control in approximately 10 minutes, but the entire house received heavy smoke damage. Damage to the structure is estimated at \$25,000 and \$6,000 to contents. The cause of the fire has not yet been determined and is under investigation by the Coffeyville Fire Department. There were no injuries reported.
