<b>AGENDA TITLE</b>	Approve purchase of materials for construction of new offices on the ground floor of City Hall.

<b>PURPOSE</b>	To Approve a purchase order to Kansas Lumber for materials to construct office space on the ground floor.

<b>BACKGROUND</b>	<p>When City Hall was remodeled there was no consideration for growth and the potential need for additional office space. We have since added Housing and Community Development and Code Enforcement to Engineering Services. With continued development of the Housing and Community development branch of Engineering Services, we are in need of additional office space. A plan was put together to develop the area commonly referred to as the shell of the ground floor.</p> <p>This development will add 9 new office spaces and a conference room. This will enable the current offices (which were conference rooms) to return to being available conference rooms.</p> <p>This Resolution approves a Purchase Order to Kansas Lumber for the purchase of the building materials, not including mechanical or electrical supplies, for this project</p> <p>Multiple material quotes were received. Kansas Lumber was the lowest cost for the materials. We then provided a full floor plan in order to have them review the materials needed as well.</p>
<b>SPECIAL NOTES</b>	Funding for this project was approved in the amount of \$170,000 from the Capital Improvement Sales Tax Funds by the City Commission at the July 13 <sup>th</sup> meeting.
