I. OLD BUSINESS

J. NEW BUSINESS

1. Resolution R-21-91 a Resolution to authorize the issuance of a purchase order to Kansas Eastern Region Insurance Trust for workers compensation insurance coverage for the City of Coffeyville to be effective January 1, 2022 through December 31, 2022.

Director of Human Resources Allison Pryor said that in 2013, the city joined Kansas Eastern Region Insurance Trust (KERIT) for workers compensation coverage. As part of this Trust, the City has a membership agreement for three years. Staff recently received the renewal quote for workers compensation coverage from KERIT. The quoted premium of \$144,130 is \$18,449 higher than 2021. Ms. Pryor stated that factors affecting the increase are as follows. The City's experience modification factor increased from a .99 in 2021 to 1.10 for 2022.

**COMMISSION MEETING MINUTES
TUESDAY, DECEMBER 28TH, 2021**

3

The experience modification factor is calculated on frequency, severity and costs over the previous three years. Changes to premium rates set by NCCI and adopted by State of Kansas for payroll classifications in City also have an effect on our overall premium. Ms. Pryor said they have more closely projected the 2022 estimated net payroll (gross wages less vacation, sick, holiday, overtime, etc.) to reflect an increase of 2.84%. The final result is a quoted premium rate of \$1.87/\$100 of payroll.

MOTION: Move to approve Resolution R-21-91 as presented.

ACTION: MOTION: BAUER SECOND: YORK
ROLL CALL: ALL AYE

2. Ordinance G-22-01 an Ordinance to allow kennels as a conditional use in C-4 Service Commercial Districts.

City Attorney Paul Kritz stated on November 23rd Gina Holland came to the podium to and stated that she owns a vet clinic and would like to grow her business and offer boarding services as Coffeyville does not have any. Ms. Holland has found a location but under current zoning rules she was not able to use it for her intended purpose. Mr. Kritz said that under this change to the model zoning code it would allow a kennel in a c4 commercial service district subject to reasonable conditions determined by the Planning and Zoning Commission. Previously kennels have only been allowed in agricultural districts on the outskirts of town. Mr. Kritz stated that he wrote the ordinance to say animal hospital and adjacent kennel owned and operated by a licensed veterinarian but after reviewing minutes from Ms. Holland's comments to the commission he is not sure if it will be in the same location or off site from the animal hospital. He said if it is off site then the wording will need to be changed to fit that situation. The Commission agreed that it needed to be "or".

MOTION: Move to approve Ordinance G-22-01 with the changes prescribed.

ACTION: MOTION: YORK SECOND: MAXSON
ROLL CALL: ALL AYE

3. Review of Resolution R-6-11 a Resolution establishing a policy for the use by city employees of city equipment or supplies for non-city activities – Commissioner Maxson. Commissioner Maxson stated he wanted to see the Resolution again as it has been brought up in recent discussions. This is what is referred to in situations when employees from various departments are out with city vehicles. Commissioner Maxson brought up the part that states "without authorization" and that with a growing community it would be nice to have city personnel at community events when staffing allows and resources are available. Discussion about the topic by the commissioners ensued.

4. City Manager's Report

City Manager Mark Hall stated this is the final meeting of 2021 and there will be a change in commissioners at the first meeting of 2022. Mr. Hall thanked the commission for their service to the community. He said that city staff is closing out the year and getting ready for next year. He thanked staff for another great year.
