1. Resolution No. R-13-74 – A Resolution to purchase property insurance for the Power Plant.
 - Finance Director Stephanie Richardson stated as requested by Chubb Insurance Company, the City had an appraisal of the electric system building and contents to ensure we were properly valuing our assets. The quote for coverage this year is 9.25% higher, however, based on the premium history with Chubb and the fact there is an active claim, the premium does not appear to be unreasonable. Insurance on the Power Plant is bid out every three years; this is the final year, and it will be bid out next year.
