CFD Responds to Two Incidents Over the Weekend

The Coffeyville Fire Department responded to a structure fire at 2410 W. 8th Street at 3 a.m. Sunday, April 13. Upon arrival, flames were visible from the garage area of the house which sustained an estimated \$20,000 in damage. The house is owned and occupied by Jacob Erne. He and his family escaped unharmed; and there were no injuries reported. Following an investigation, the cause of the fire was determined to be from a cigarette discarded in a flower pot which blew out of the pot and under the siding of the house. The South Coffeyville Fire Department assisted at the fire scene.

On Saturday, April 12, at approximately 5:30 p.m., CFD was called to 516 W. 1st Street where a 59-year-old male was removing a truck tire and got three fingers caught between the rim and the tire. Fire personnel used the Jaws of Life to free the fingers, and the man was transported to CRMC with non-life-threatening injuries.
