INDEPENDENT AUDITORS' REPORT

Honorable Mayor and City Commissioners
City of Coffeyville, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of the City of Coffeyville, Kansas, as of and for the year ended December 31, 2016 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the Kansas Municipal Audit and Accounting Guide as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the Kansas Municipal Audit and Accounting Guide. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statement, the financial statement is prepared by the City of Coffeyville on the basis of the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the City of Coffeyville as of December 31, 2016, or changes in financial position and cash flows thereof for the year then ended.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the City of Coffeyville as of December 31, 2016, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the Kansas Municipal Audit and Accounting Guide described in Note 1.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditures-actual and budget, individual fund schedules of regulatory basis receipts and expenditures-actual and budget, schedule of regulatory basis receipts and expenditures-agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

The 2015 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures—actual and budget (Schedule 2 as listed in the table of contents) is also presented for comparative analysis and was not a required part of the 2015 basic financial statement upon which we rendered an unmodified opinion on the regulatory basis of accounting dated June 30, 2016. The 2015 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <http://admin.ks.gov/offices/chief-financial-officer/municipal-services>. Such 2015 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2015 basic financial statement. The 2015 comparative information was subjected to the auditing procedures applied in the audit of the 2015 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2015 basic financial statement or to the 2015 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2015 comparative information is fairly stated in all material

respects in relation to the 2015 basic financial statement as a whole, on the basis of accounting described in Note 1.

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The schedule of required bond information (Schedule 4 as listed in the table of contents) is presented for purposes of additional analysis as required by bond agreements and is not a required part of the financial statement. Such information has not been subjected to the auditing procedures applied in the audit of the financial statement, and, accordingly, we express no opinion on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 10, 2017, on our consideration of the City of Coffeyville's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Coffeyville's internal control over financial reporting and compliance.

CITY OF COFFEYVILLE, KANSAS

Notes to the Financial Statement
For the Year Ended December 31, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The City of Coffeyville, Kansas, (the City) is incorporated as a city of the first class, under the provision of K.S.A. 13-101 *et seq.* The City operates under a Commission-City Manager form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, electric, water and sewer, health and social services, culture-recreation, education, public improvements, planning and zoning, and general administrative services.

The financial statement and schedules of the City of Coffeyville, Kansas, have been prepared in order to show compliance with the cash basis and budget laws of the State of Kansas. The Governmental Accounting Standards Board is the principal standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies follow. Note 1 describes how the City's accounting policies differ from accounting principles generally accepted in the United States of America.

Financial Reporting Entity

The City of Coffeyville, Kansas, is a municipal corporation governed by an elected five-member commission. This financial statement presents the City of Coffeyville.

Related Municipal Entities: A related municipal entity is determined by the following criteria. Whether the City exercises oversight responsibility on financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations and accountability for fiscal matters, scope of the public service, and significant operational or financial relationships with the City. Related municipal entities are not required to be included in the City's audit by the Kansas Municipal Audit and Accounting Guide (KMAAG). Based upon the application of this criterion, the following is a brief review of potential related municipal entities:

Coffeyville Public Library

The City of Coffeyville, Kansas, Library Board operates the City's public library. Acquisition or disposition of real property by the Board must be approved by the City. Bond issuances must also be approved by the City. The City levies taxes for the Library Board and significantly influences the Library's operations. Separate audited financial statements are available at the Library.

Coffeyville Regional Medical Center

The Medical Center Board of Trustees operates the City's hospital. The hospital can sue and be sued, and can buy, sell, or lease real property. Bond issuances must be approved by the City. Separate audited financial statements are available at the Medical Center.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

Related Municipal Entities (Continued)

Coffeyville Community Enhancement Foundation

Coffeyville Community Enhancement Foundation is a 501c(3) corporation whose Board of Directors is the current City Commission. This corporation was established to create an avenue for entities, whose bylaws restrict their donations to 501c(3) entities, to make donations for city projects (i.e. Midland Theater restoration). If money is received for projects, it is paid to the City as a reimbursement as the project progresses. Many people have given to special projects, therefore, the money is segregated in the Foundation's books for each project. Separate financial statements are not prepared by the Foundation.

Regulatory Basis Fund Types

A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The following types of funds comprise the financial activities of the City of Coffeyville, Kansas, for the year of 2016:

General fund – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

Special Purpose fund – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

Bond and Interest fund – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

Capital Project fund – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment.

Business fund – funds financed in whole or in part by fees charged to users of the goods or services (i.e. enterprise and internal service fund etc.)

Agency fund – funds used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection account, etc.).

Basis of Presentation – Regulatory Basis of Accounting

Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America. The (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Presentation – Regulatory Basis of Accounting (Continued)

The municipality has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the municipality to use the regulatory basis of accounting.

Property Taxes

In accordance with governing state statutes, property taxes levied during the current year are a revenue source to be used to finance the budget of the ensuing year. Taxes are assessed on a calendar year basis and become a lien on the property on November 1st of each year. The County Treasurer is the tax collection agent for all taxing entities within the County. Property owners have the option of paying one-half or the full amount of taxes levied on or before December 20 during the year levied with the balance to be paid on or before May 10 of the ensuing year. State statutes prohibit the County Treasurer from distributing taxes collected in the year levied prior to January 1st of the ensuing year. Consequently, for revenue recognition purposes, taxes levied during the current year are not due and receivable until the ensuing year. At December 31, such taxes are a lien on the property.

Reimbursed Expenses

K.S.A. 79-2934 provides that reimbursed expenditures, in excess of those budgeted, should be recorded as reductions in expenditures rather than as revenues. In the financial statement and budget comparisons presented in this report, reimbursements and refunds are recorded as revenues. The reimbursements are recorded as cash receipts when received by the City Treasurer and are often difficult to identify the exact expenditure which they are reimbursing. In funds showing expenditures in excess of the original adopted budget, reimbursements are added to the adopted budget as budget credits for comparison with the actual expenditures.

Pension Plan

Substantially all full-time City employees are members of the State of Kansas Public Employees Retirement System, or the State of Kansas Police and Fire Retirement System, both of which are a multi-employer state-wide pension plan. The City's policy is to fund all pension costs accrued. Such costs to be funded are actuarially determined annually by the State of Kansas.

Budgetary Information

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Information (Continued)

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. During the year ended December 31, 2016, the City amended the Library Fund, Local Alcohol Liquor Fund, Economic Development Fund, Police VIN Fund, Airport Holding Fund, ½ Cent Sales Tax IRB Debt Service Fund, CRMC Sales Tax Fund, Internet Utility Fund, Stormwater Utility Fund, and the Water and Sewer Utility Fund.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which, revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year’s accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds:

- Capital Equipment Fund
- 911 Emergency System Fund
- Capital Improvement Reserve Fund
- Risk Management Fund
- Business Development Training Center Reserve Fund
- Veterans Memorial Stadium Depreciation and Replacement Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Compliance with Kansas Statutes

As shown in Statement 1, the City was in apparent violation with K.S.A. 10-1,113. The City has obligated expenditures in excess of available monies in Capital Equipment Fund, however, K.S.A 10-1,116 provides that under certain situations, the funds can end the year with a negative unencumbered cash balance and therefore, exempt from the cash basis laws of the State of Kansas. This fund met the criteria under the statutes and therefore, is deemed not to be in violation of the Kansas cash basis law.

As shown in Schedule 1, the City was in apparent violation of K.S.A. 79-2934, as the City has obligated expenditures in excess of budgetary limits in the Internet Utility Fund.

2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (Continued)

Compliance with Revenue Bond Covenants

The City is required, under the ordinances on Revenue Bond Issues, to maintain in its Business Funds certain restricted accounts. The ordinances provide that the following reserve accounts be set up in amounts described below:

<u>RESERVE ACCOUNTS</u>	<u>REQUIRED AMOUNT</u>	<u>ACTUAL AMOUNT</u>
Principal and Interest Account for Electric Utility Revenue Bonds, Series 2011-A – requires transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	\$ 8,443.33	
Principal and Interest Account for Electric Utility System Refunding General Obligation Bonds, Series 2013-A – requires transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	76,857.71	
Principal and Interest Account for Electric Utility System Revenue Bonds, Series 2015-B – requires transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	286,062.50	
Principal and Interest Account for Taxable Electric Utility System Revenue Bonds, Series 2015-C – requires transfers monthly of 1/6 of next maturing interest and 1/12 of next maturing principal.	53,117.29	
	<u>424,480.83</u>	<u>\$ 456,439.03</u>
Electric Depreciation and Replacement Account – requires \$100,000.00 to be maintained for the Electric Utility Revenue Bonds, Series 2011-A, Electric Utility System Refunding General Obligation Bonds, Series 2013-A and Electric Utility System Revenue Bonds, Series 2015-B.	100,000.00	
Electric Utility Revenue Bonds, Series 2011-A requires reserves beginning December 21, 2011 in the amount of ten percent of the bond principal in the Electric Depreciation and Replacement Account.	123,500.00	
Electric Utility System Refunding Bonds, Series 2013-A requires reserves beginning December 3, 2014 in the amount of ten percent of the bond principal in the Electric Depreciation and Replacement Account.	555,555.00	
Electric Utility System Revenue Bonds, Series 2015-B requires reserves beginning June 25, 2015 in the amount of the maximum annual debt service for the Series 2015-B during any fiscal year of the bond principal in the Electric Depreciation and Replacement Account.	3,432,750.00	**
	<u>4,211,805.00</u>	<u>7,149,489.18</u>
Total Reserve at December 31, 2016	<u>\$ 4,636,285.83</u>	<u>\$ 7,605,928.21</u>

2. STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY (Continued)

** However, the obligations of the City have been guaranteed by a policy of financial guaranty insurance issued by National Public Finance Guarantee Corporation. The Policy unconditionally and irrevocably guarantees to any owner or holder of the Obligations or, if applicable, of the coupons appertaining thereto (the "Owner"), the full and complete payment required to be made by or on behalf of the issuer of the Obligations (the "Issuer") to the Paying Agent or its successor of an amount equal to (i) the principal of (either at the stated maturity or by any advancement of maturity pursuant to a mandatory sinking fund payment) and interest on, the Obligations as such payments shall become due but shall not be so paid (except that in the event of any acceleration of the due date of such principal by reason of mandatory or optional redemption or acceleration resulting from default or otherwise, other than any advancement of maturity pursuant to a mandatory sinking fund payment, the payments guaranteed by the Policy shall be made in such amounts and at such times as such payments of principal would have been due had there not been any such acceleration); and (ii) the reimbursement of any such payment which is subsequently recovered from any Owner pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes an avoidable preference (a "Preference") to the Owner within the meaning of any applicable bankruptcy law. The amounts referred to in clauses (i) and (ii) of the preceding sentence are referred to collectively in this letter as the "Insured Amounts."

The City agrees to fix, establish, maintain and collect such rates, fees or charges for Electric Utility service furnished by the Electric System, which will be sufficient to enable the City to have, in each fiscal year, a net income in an amount that will be not less than 125% amount required to be paid by the City in the next succeeding fiscal year on account of both principal and interest of all Electric Utility System Bonds of the City at the time outstanding. Net income is defined as gross income less operating expenses, but before any transfers, depreciation and capital expense. For the year ended December 31, 2016, the Electric Utility Fund had net income of \$7,646,848.41 which is 157.05% of the principal and interest requirements for 2017 of \$4,869,202.50.

3. DEPOSITS AND INVESTMENTS

As of December 31, 2016, the City has the following investments.

<u>Investment Type</u>	<u>Cost</u>	<u>Fair Value</u>	<u>Rating</u>
Bayerische Trust Agreement			
Less than one year maturity	\$ 7,602,263.91	\$ 7,602,263.91	N/A
Federal Agency			
One to five year maturity	12,949,347.50	12,770,164.88	AAA
Kansas Investment Pool			
Less than one year maturity	<u>6,346,269.90</u>	<u>6,346,269.90</u>	S&P AAf/S1+
Total Investment	<u>\$ 26,897,881.31</u>	<u>\$ 26,718,698.69</u>	

Deposits

K.S.A 9-1401 establishes the depositories which may be used by the City. The statute requires banks eligible to hold the City's funds have a main branch or branch bank in the county in which the City is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The City has no other policies that would further limit interest rate risk.

3. **DEPOSITS AND INVESTMENTS** (Continued)

K.S.A 12-1675 limits the City's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. Government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The City has no investment policy that would further limit its investment choices. The rating of the City's investments is noted above.

Concentration of credit risk. State statutes place no limit on the amount the City may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The City's allocation of investments as of December 31, 2016, is as follows:

<u>Investments</u>	<u>Percentage of Investments</u>
Agency Money Market	28.26%
Federal Agency	48.14%
Kansas Municipal Investment Pool	23.59%

Custodial credit risk – deposits. Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. State statutes require the City's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2016.

At December 31, 2016, the City's carrying amount of deposits was \$28,915,611.84 and the bank balance was \$29,850,321.44. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$277,616.12 was covered by FDIC insurance and \$29,572,705.32 was collateralized with securities held by the pledging financial institutions' agents in the City's name.

Custodial credit risk – investments. For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the City will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

At December 31, 2016, the City has invested \$6,346,269.90 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than ten percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

4. LONG-TERM DEBT

Changes in long-term debt the City for the year ended December 31, 2016, were as follows:

Issue	Interest Rates	Date of Issue	Original Amount of Issue	Date of Final Maturity	Balance Beginning of Year	Additions	Reductions/ Payments	Balance End of Year	Interest Paid
General Obligation Bonds									
Paid With Utility Revenues

5. CAPITAL LEASE OBLIGATIONS

The City has entered into a capital lease agreement in order to finance the purchase of a Blackstart Generator. Payments are made of \$77,729.23 semi-annually, including interest at approximately 5.00%. Final maturity for the lease is in 2026. Future minimum lease payments are as follows:

<u>Year Ended December 31</u>	<u>Totals</u>
2017	\$ 155,458.46
2018	155,458.46
2019	155,458.46
2020	155,458.46
2021	155,458.46
2022-2026	<u>777,292.33</u>
	1,554,584.63
Less imputed interest	<u>(342,850.78)</u>
Net Present Value of Minimum Lease Payments	1,211,733.82
Less: Current Maturities	<u>(96,057.66)</u>
Long-Term Capital Lease Obligations	<u>\$ 1,115,676.19</u>

6. OPERATING LEASES

As of December 31, 2016 the City has entered into an operating lease for office equipment. Rent expense for the year ended December 31, 2016, was \$19,994.61. Under the current lease agreements, the future minimum rental payments are as follows:

2017	\$20,416.68
------	-------------

7. INDUSTRIAL REVENUE BONDS

The City has entered into various agreements to induce businesses to locate or expand operations in Coffeyville, Kansas. In connection therewith, the City has issued industrial revenue bonds (IRB's), which require the businesses to make lease payments to trust accounts sufficient to pay debt service on the IRB's. The City is under no obligation to pay the IRB debt, which is to be paid from the lease payments made by the related businesses. At December 31, 2016, there were four industrial revenue bond issues with principal balances due totaling \$5,997,506.77.

8. DEFINED BENEFIT PENSION PLAN

General Information about the Pension Plan

Plan description. The City participates in the Kansas Public Employees Retirement System (KPERS), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. Kansas law establishes and amends benefit provisions. KPERS issues a publicly available financial report that includes financial statements and required supplementary information. KPERS' financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at www.kpers.org or by writing to KPERS (611 South Kansas, Suite 100, Topeka, KS 66603) or by calling 1-888-275-5737.

8. DEFINED BENEFIT PENSION PLAN (Continued)

Contributions. K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 0.85% contribution rate for Death and Disability Program, which increased to 1.00% as of July 1, 2015) and the statutory contribution rate was 9.48% for KPERS and 21.36% for KP&F for the fiscal year ended December 31, 2016. Contributions to the pension plan from the City were \$526,177.85 for KPERS and \$618,576.43 for KP&F for the year ended December 31, 2016.

Net Pension Liability

At December 31, 2016, the (non-school municipality)'s proportionate share of the collective net pension liability reported by KPERS was \$4,680,074.00 and \$5,189,327.00 for KP&F. The net pension liability was measured as of June 30, 2016, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2015, which was rolled forward to June 30, 2016. The City's proportion of the net pension liability was based on the ratio of the City's contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publically available on the website at www.kpers.org or can be obtained as described above.

9. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

Compensated Absences:

All full-time employees of the City with one year of employment are eligible for vacation benefits in varying annual amounts. Vacation must be used by each anniversary date. In the event of termination, unused accrued vacation time is paid.

Sick leave accrues to all full-time employees at the rate of one day per month and is unlimited. Employees who terminate by other than retirement or death will not be paid for accumulated sick leave. An employee shall be paid for accumulated sick leave up to 65 days (45 days for the Fire Department) upon termination by death or retirement.

9. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (Continued)

The City determines a liability for compensated absences when the following conditions are met:

1. The City's obligation relating to employees' rights to receive compensation for future absences is attributable to employees' services already rendered.
2. The obligation relates to rights that vest or accumulate.
3. Payment of the compensation is probable.
4. The amount can be reasonably estimated.

In accordance with the above criteria, the City has an unfunded liability for vacation benefits at December 31, 2016 of \$825,245.18 an unfunded liability for compensatory time at December 31, 2016 of \$56,588.61, and has not estimated a liability for sick pay which has been earned, but not taken by City employees, inasmuch as the amount cannot be reasonably estimated.

Other Post Employment Benefits:

As provided by K.S.A. 12-5040, the City allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the local government is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in these financial statements.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the City makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured. There is no cost to the government under this program.

10. CAPITAL PROJECTS

Capital project authorizations with approved change orders compared with cash disbursements and accounts payable from inception are as follows:

<u>PROJECT NAME</u>	<u>AUTHORIZED</u>	<u>EXPENDED THRU 12/31/16</u>	<u>COMPLETION</u>
Intersection and Drainage Improvements	\$ 3,088,469.23	\$ 3,082,944.55	Ongoing
2015 GEO Improvement – 8 th & Northeast	49,400.00	48,270.93	Complete
9 th Street Improvements, Sidewalk Improvements and Waterline Replacement	2,050,932.66	2,038,227.36	2017
Resurfacing Buckeye West to RR Overpass	97,000.00	76,312.00	2017
Brownfield Grants	375,000.00	136,891.77	2017
New Electric Generation Project	58,000,000.00	55,492,811.59	2017
Building Renovation Projects	9,347,618.03	9,344,323.05	2018
	<u>\$ 73,008,419.92</u>	<u>\$ 70,219,781.25</u>	

11. LOANS RECEIVABLE

The City has made Community and Economic Development Loans through the Community Development Fund. The Fund was the recipient of various HUD grants in earlier years. Loans made with these monies are repaid and the City makes additional development loans from these repayments. The loans due to the City at December 31, 2016, are as follows:

Economic Development Loans	\$ 106,058.21
Community Development Loans	2,736.59

These loans are not reflected in these regulatory basis financial statements of the City of Coffeyville, Kansas.

12. ECONOMIC DEPENDENCY

During 2016, the City collected 61.89% of its electric utility revenues from Coffeyville Resources Nitrogen Fertilizer Plant, LLC.

13. RISK MANAGEMENT

The City is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees' health and life; and natural disasters. The City manages these risks of loss through the purchase of various insurance policies.

The City has established a Health Insurance Fund. The purpose is to provide for an employee welfare benefit plan for health insurance. Contributions from eligible employees and the City are deposited in the name of the plan, subject to withdrawal for purposes of paying approved claims and expenses. The City has contracted with BlueCross BlueShield of Kansas to be the claims supervisor. The supervisor reviews all claims for allowability and issues weekly reports to the City. The City has a stop-gap policy which pays any aggregate claims over \$50,000.00.

The City has been unable to obtain workers' compensation insurance at a cost it considers to be economically justifiable. For this reason, the City has joined together with other cities in the State to participate in the Kansas Eastern Region Insurance Trust (KERIT). The City participates in the decision making of KERIT through trustee representation. KERIT files its annual audited financial statements with the Kansas Insurance Commissioner. The City pays annual premium to KERIT for its workers' compensation insurance coverage. The agreement to participate provides that KERIT will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of a stated dollar amount for each insurance event. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KERIT management.

14. COMMITMENTS AND CONTINGENCIES

The City has entered into an agreement with the Grand River Dam Authority for the purchase of electrical services until June 1, 2042.

The City is involved in various lawsuits incurred through normal operations. It is the opinion of the City's management that the outcome of this litigation will not result in a material loss to the City in excess of applicable insurance coverage.

15. INTERFUND TRANSFERS

Operating and residual transfers were as follows:

<u>From Fund:</u>	<u>To Fund:</u>	<u>Statutory Authority</u>	<u>Amount</u>

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED
ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Honorable Mayor and City Commissioners
City of Coffeyville, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of the City of Coffeyville, as of and for the year ended December 31, 2016, and the related notes to the financial statement, which collectively comprise the City of Coffeyville's basic financial statement, and have issued our report thereon dated July 10, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered the City of Coffeyville's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the City of Coffeyville's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Coffeyville's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Coffeyville's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR
PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY
THE UNIFORM GUIDANCE**

Honorable Mayor and City Commissioners
City of Coffeyville, Kansas

Report on Compliance for Each Major Federal Program

We have audited the City of Coffeyville's compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the City of Coffeyville's major federal programs for the year ended December 31, 2016. City of Coffeyville's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the City of Coffeyville's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the City of Coffeyville's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the City of Coffeyville's compliance.

Opinion on Each Major Federal Program

In our opinion, the City of Coffeyville, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Report on Internal Control over Compliance

Management of the City of Coffeyville, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City of Coffeyville's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City of Coffeyville's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
